

FY2019 Stop Arm Violation Enforcement (SAVE)

Request for Proposals

The Stop Arm Violation Enforcement (SAVE) grant promotes a coordinated effort to improve compliance with school bus stop arms. The program is designed to encourage collaboration between law enforcement, school corporations, and school bus operators.

The SAVE Program goal is to support and provide safe transportation routes to and from school for school children of all ages in Indiana. This program is intended to prevent violations through high visibility enforcement (HVE) by following school bus routes to provide on the spot enforcement for violations. The program provides for mobilization periods following absence of school buses from roadways due to scheduled student breaks such as: Summer Break, Fall Break, Winter Break and Spring Break.

The FY19 program will include an operational period from August 1, 2019 through September 15, 2019. Working hours are from 6:00 am to 10:00 am, and 2:00 pm to 6:00 pm, Monday-Friday on days when school is in session. Upon arrival at school locations from routes of travel, officers can provide on-site support for crosswalk violations furthering support for safe travels to school.
