1. The meeting of the Indiana Regulated Amusement Device Safety Board was called to order by Chairman Mike Kamp at 1:00 p.m., Eastern Daylight Time, July 12, 2012. A quorum was found to be present.

(a) The following Board members were present:

Terrance Hoffman, American Amusement Rides LLC
Danny Huston, Mid America Shows
Michael Kamp, Holiday World, Chairman

The following Board members were not present:

(b) The following departmental staff were present

Mara Snyder, Counsel, Indiana Department of Homeland Security
2. **Minutes**

Chairman Kamp asked for a motion to approve, or for any corrections to be made to the minutes of the April 12, 2012, meeting. Ted Bumbleburg moved to approve the minutes as submitted, with the second by Danny Huston. It was voted upon and carried.

3. **Old Business**

A lengthy discussion was again held concerning inflatable amusement devices. Included were the following topics: creating a definition of an inflatable amusement device and an inflatable chamber to allow regulation; the idea of tying the rental of the devices to an A&E permit; possible statutory language to be used; and the regulation of these devices practiced in other states. Also discussed was the information needed for the fiscal impact study to be done for the proposed legislation. Ms. Snyder asked for assistance from the Commission members in the gathering of this type of information.

4. **New Business**

Chairman Kamp had been looking at a list of ASTM Standards that had changed since 2010, and questioned if they needed to be looked at for possible adoption. He complained of looking for certain standards to find they had been incorporated into another standard during an update, and they were no longer available on line. Ms. Snyder explained that she would need to prove that a newer standard was needed by Indiana business to provide them with something they didn’t already have. She then asked that the Commissioners look at the standards, and consider which they would like to update.

5. **Report from Chief Inspector**

Mr. Hendricks stated that 580 inspections had been done to date. He noted that there had been a few complaints made on rides. These had been investigated and taken care of, and he announced that there had been no accidents yet this year.

He reminded the Board members that the next meeting was tentatively scheduled for October 4 at Indiana Beach, with an alternative meeting site in Lafayette offered by Ted Bumbleburg if needed. A possible change in the scheduled date was discussed, but was left on October 4, 2012, as previously decided.
The resignation of Steve Jordan, Indiana Fair Association, was also announced. Mr. Jordan had been elected as a County Commissioner, and wished to avoid any possible conflict of interest.

6. **Adjourn**

Calling for any further business and hearing none, Chairman Mike Kamp closed the meeting at 2:11 p.m.

**APPROVED**

Mike Kamp, Chairman
