List of Closeout Documents

Project Completion
The final phase of the project is the Project Completion and Closeout. This is the phase in which OCRA determines that all requirements of the grant agreement have been fulfilled. Once all activities of the grant are completed, and all funds have been drawn down, closeout can begin. Assuming all required documentation was appropriately executed and filed throughout the project, this phase is relatively simple. Once closeout is completed, OCRA will send a Notice of Completion to the grantee. To complete this phase and the project, the Grantee must have completed the following steps:
