State Treasurer Richard Mourdock Realizes \$98,719.88 in Year-end Savings

Treasurer of State's Office remits 11.3% of its budget back to the State of Indiana's General Fund

INDIANAPOLIS (July 30, 2009) – State Treasurer Richard Mourdock announced that his office is returning \$98,719.88 or 11.3% of its 2009 fiscal year budget, appropriated by the Indiana General Assembly, back to the State of Indiana's General Fund.

“I have one of the smallest state government offices in the statehouse, therefore one of the smallest budgets appropriated to it by the Indiana General Assembly,” stated Treasurer Mourdock.

“The fact my office would return any of its appropriated funds back to the General Fund, let alone 11.3% of its budget, is a vast accomplishment and reflects my staff's ongoing commitment to save Hoosier tax dollars.”
