### **State Treasurer Richard Mourdock Announces Staff Changes**

INDIANAPOLIS (January 12, 2010) – State Treasurer Richard Mourdock announced the retirement of the office’s Deputy Treasurer & Portfolio Manager **Steve Midkiff**, the hire of **Mike Frick** previous of the Auditor of State’s Office as Midkiff’s replacement, and the promotion of **Alicia Crabtree** to Scheduler & Administrative Assistant to the Treasurer.

“Steve has been an invaluable asset to the Treasurer of State’s Office, particularly during the challenging economic times of this past calendar year. I want to publicly thank him for his service and dedication, and I wish him nothing but the best during retirement. We are very fortunate that Steve’s replacement, Mike Frick, literally worked next-door to our office, had over 15 years of previous, investment experience within the Treasurer of State’s Office, and is a Certified Public Account, stated Treasurer Mourdock. “In addition, I am pleased to announce that Alicia Crabtree, who has faithfully and diligently served our office for over a year, has been promoted to the position of scheduler and will be my administrative assistant.”
